TAKE CARE OF YOUR BODY!

The CEFAR ACTIV X2 offers programs in the areas of FITNESS and WELLNESS to tone your muscles, massage your body and relieve your pain. It is equipped with 4 electrodes to be able to stimulate main muscle areas like thighs, abdominals and buttocks.

CEFAR EASY TOUCH™

With the press of a button, your personal ideal amplitude is automatically set. A true revolution in electro stimulation! The uniqueness of the system is that it adapts perfectly to each muscle and individual, guaranteeing true comfort during stimulation.

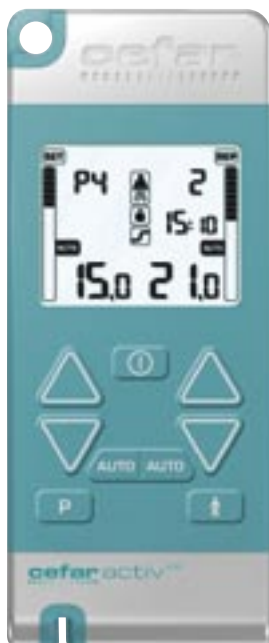

The CEFAR ACTIV X2 also functions in manual setting.

CEFAR EASY TRAINING™

To make it even easier to measure just how much work your muscles are doing in each program, the CEFAR EASY TRAINING™ concept displays each completed set and repetition on the display.

SIMPLIFY ELECTRO STIMULATION WITH THE CEFAR ACTIV X2!

PROGRAMS

The CEFAR ACTIV X2 offers 36 programs in total, 28 FITNESS and 8 WELLNESS. It is the ideal partner for people who want to keep in shape and feel good. It tones muscles, massages and relieves pain.

BACKLIT DISPLAY

A backlit display in combination with a larger size makes it easier to see and read the display even if the surrounding light is insufficient.

PERSONAL TRAINER

Delivered with the CEFAR ACTIV X2 is a Personal Trainer that will advise you in the use of your stimulator.
